29th October, 1926.

Dear Mr. Webster,

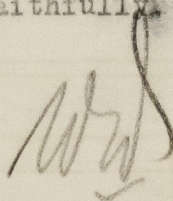

On the 25th June last an Official letter was sent to you regarding the provisional freeboard assignment for Messrs. Chantiers de Penhoet's Yard No. U5, but we do not appear either to have had a letter in reply or a provisional freeboard report. I desire to remind you of this letter as we have been requested by the Owners to advise them when provisional freeboards are assigned.

With kind regards,

Yours faithfully,

P.W. Webster, Esq.,

ST. NAZAIRE.
