5th June, 1937.

Dear Sirs,

F. I beg to acquaint you that the Annual Load Line Survey on the steamer "HOMEWOOD" has been partly held at Middlesbrough and to complete the same three tarpaulins require to be fitted.

I shall be glad to hear from you when and at what port this will be done in order that the Society's Local Surveyors may be advised.

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary.
