Dear Sir,

I am in receipt of your letter of the 29th ultimo, respecting the new steamer "HOMEWOOD", the contents of which are noted.

The Committee had this case before them at their Meeting yesterday and have assigned to the vessel the class "LOCAL" subject to an indented plate on port side being dealt with at the Owners' convenience, and notations of Lloyd's A & CP; \* LMC 1,27; C.L."

With regard to the machinery, I shall be glad if you will kindly ascertain from the Surveyors and let me know the number and diameter of the bilge suction pipes in the hold and engine space, as this information is not given in the report.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
GLASGOW.

Clerk to the  
Classification Committee.
