Dear Sir,

I have to acquaint you that the steamer "HOMERWOOD",  
Messrs. R. Williamson & Sons' Yard No. 240, has proceeded to your  
port, and in order to complete the survey for classification  
the following remains to be done, viz:- Machinery to be  
installed, The engine and boiler casings to be closed in  
and riveted; the steering gear, windlass, winches and capstan  
to be tested under working condition, Tarpaulins and hatch  
covers to be examined in place.

I shall therefore be glad if you will be good enough  
to arrange for the case to be given the necessary attention,  
and on completion of the work to the Surveyors' satisfaction  
for a report on Form 8 to be forwarded with a view to the  
classification of the vessel.

I am, Dear Sir,

Yours faithfully,

The Secretary,
