21st November, 1922.

Dear Sirs,

S.

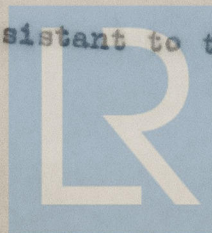

I beg to acknowledge the receipt of your letter of the 15th instant with reference to the account rendered by the Society's Surveyors at Hamburg of fees due for the survey of the Twin Screw Motor Vessel "TIRADENTES" with a view to classification in the Society's Register Book, and in reply I have the pleasure to say that in the exceptional circumstances of this case and as the vessel will not be entitled to the cross indicating the Special Survey of the Society's Officers throughout construction, the Society's Surveyors are being instructed to render an amended account to your goodselves for a fee of approximately 60% of the total fees prescribed by the Rules in the case of a vessel built throughout under the Society's survey.

I am, Dear Sirs,

Yours faithfully,

Messrs. Deutsche Werft,
HAMBURG, 1.

Assistant to the Secretary.
