

M.V. "TIRADENTES"

It is submitted that a letter be furnished stating that this vessel was built under special survey by Messrs. Deutsche Werft A.G. for Mr. Wilh. Wilhelmsen and that the Hamburg Surveyors reported in September 1922 as follows:-

"The Electric Light Installation of this vessel is fitted in accordance with the approved plans ~~and Secretary's letter~~ *Rul*  
"E' 23/3/22 and otherwise in conformity with the requirements of the Rules and eligible in my opinion for record 'Electric Light'".
