

Messrs. The Deutsche Werft A.G. Nos. 8(10) , 61 & 62.  
Electric Power and Lighting Installation.

-----

It is submitted that these plans of electric power and lighting installation merit approval, provided the maximum currents carried by the various conductors are in accordance with the requirements of the Rules; an automatic indicator be fitted in the circuit of each navigation lamp; the remaining requirements of the Rules be complied with and the installation be fitted on board the vessel to the satisfaction of the Surveyor.

Return 4 plans.
