

WOKINGHAM COPY.

14th October, 1940.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 11th instant respecting the motorship "TIRADENTES" and, in reply thereto, have to state that the deadweight of this vessel would be increased by about 750 tons.

I may say, however, that this figure is only approximate.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
