The Secretary,  
LONDON.

Dear Sir,

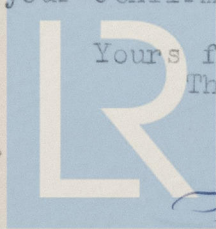

S.S. "WHIN"

Further to our letter of 9th May, we have to advise you that the Owners and their Consultant called to discuss the drydocking of the above ship. They request that this might be deferred until early August.

It is concluded that in view of Chapter B, para. 801, no exception can be taken to this proposal, but we should appreciate your confirmation of this.

Yours faithfully,  
The Surveyors.
