Steamer "WHIN"

I acknowledge your letter of the 30th April and have reported the position to the Committee at their Meeting this afternoon.

In reply I am authorised to say that they will not object to the drydocking of this vessel being postponed for the present, but in view of the reference of the Consulting Engineers to drydocking "later in the year", they will be obliged if the Consultants will state what arrangements regarding drydocking are contemplated.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BELFAST.
