Dear Sirs,

M.V. "DURHAM"

With reference to your letter of the 2nd August, I shall be glad to learn what arrangements are proposed to be made for the General Examination to be held this month.

It is concluded that the other outstanding survey matters namely the expired machinery condition of class, the starboard screwshaft, auxiliary boiler and steampipe surveys will also be dealt with at the General Examination, but your confirmation will be appreciated.

Yours faithfully,

Clerk to the
Classification Committee
