22nd August, 1962.

Dear Sir,

Apropos the case of the suction hopper dredger "LEVIATHAN," belonging to the Mersey Docks & Harbour Board, I cannot do better than to send you a cutting from the Liverpool Echo, saying this vessel has now been sold for breaking up.

It had been the intention to sell her to Italian Owners for further service, but negotiations broke down owing to the difficulty of the prospective buyers getting an import licence for the ship in Italy.

Yours faithfully,

C. E. Leacock

Secretary to the
Liverpool Committee.

The Secretary,
LONDON.
