

Lloyd's Register of British & Foreign Shipping,

342, Argyle Street, Glasgow.

November 5th 1908

The Secretary, Glasgow

Sir

In reply to the General Secretary's letter of the 4th inst. regarding the Dredger "Leviathan" I beg to inform you that the propeller shafts of this vessel are not fitted with continuous liners. I regret that this was not made clear on the Report.

I am, Sir

Yours obedient servant
H Gardner-Smith
