To : The Surveyor(s) at LISBON

Date: 9th February, 1966.

Ship's Name : m.s. "SANTA MAFALDA" **CLASSED** 1220 tons

QUESTION

According to information received in this office, this ship stranded on rocks at mouth of River Tagus on 22nd January. As nothing further has been heard and she was reported to be in a very serious condition due to pounding by heavy seas, please enquire and kindly let me know whether salvage operations have been commenced or whether she has been abandoned as a total loss.

ANSWER

Date:— 12th February, 1966

No salvage operations envisaged. Vessel now on side and broken in two, almost completely submerged. See letter forwarded with Lisbon report No 11368.
