DNS/CB

Dear Sirs,

CLASSING LETTER

10601 "SANTA MAFALDA". As recommended.

With reference to the instructions which were sent to Surveyors on the subject of explosions which have occurred due to cracks developing in boilers having lap riveted longitudinal shell seams, I shall be glad if you will advise the Owners that such a boiler is fitted on board this ship, and they should be requested to state in a letter to this Office whether they propose to carry out the precautions outlined in the instructions. Copies of these instructions are enclosed herewith for onward transmission to the Owners.

I acknowledge the receipt of your letter dated the 9th instant, with enclosure, the contents of which have been noted.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
LISBON.
