The Secretary,  
 LONDON.

Sir,

Replying to your classing letter of the 2nd instant with reference to the Aberdeen First Entry Report No. 12791 on the S.S. "Oriole", I beg to state that there are no Sheerstrake Butts between the forward  $\frac{1}{2}$  length, and the forward end of the Sheerstrake Doubling. The latter runs to 6'6" from the forward  $\frac{1}{2}$  length.

I am, Sir,

Your obedient servant,

*J. Richardson*
