Please address
further communications
on this subject to
PRINCIPAL SURVEYOR

S.

Dear Sir:

I duly received your letter of 27th February last relating to Philadelphia Rpt. No. 7969 on the Motor Tanker "AMERICA SUN", the contents of which have been carefully noted.

Regarding the queries arising out of the reports, I enclose a copy of a statement from Mr. Runham, together with copies of the relevant plans and drawing.

I also attach a copy of a letter which the General Electric Company have addressed to the Philadelphia Surveyors in response to their request for test reports for the motors, which indicates their policy in this respect.

In the circumstances, I am instructing the Philadelphia Surveyors to advise the Sun Shipbuilding & Dry Dock Company of the Society's requirements as regards the provision of test certificates for motors intended for essential service, with a view to their following up this matter with the General Electric Company.

I am, Dear Sir,

Yours faithfully,

The Secretary,
WOKINGHAM.

Principal Surveyor,
U. S. A. & Canada.

Electricity Exchange

Dear Sir,

I am, Dear Sir,

Following up this matter with the General Electric Company
for motors intended for essential service, with a view to their
supplying a replacement as regards the provision of test certificates
which to reduce the time and expense of the work of the
company in this respect.

In the circumstances, I am instructing the Philadelphia sub-
station in this respect.

They request for test reports for the motors, which indicates their
company have addressed to the Philadelphia Electric Co. in response to
