Dear Sir(s),

M.S. "TRITONICA"

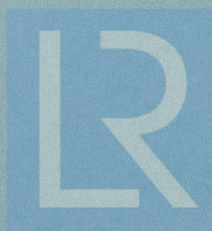

With reference to the classification of the above-named vessel in the Society's Register Book, I would remind you that a Survey of the Steam Pipes as prescribed in the Society's Rules is now due, and I shall be obliged if you will kindly state for the information of the Committee what arrangements will best suit your convenience to have the necessary inspection held.

Yours faithfully,

Clerk to the  
Classification Committee

Dingwall Shipping Co., Ltd.,  
STOCKHOLM

P.S. I take this opportunity to point out that the Donkey Boiler Survey becomes due at the end of April. It is also noted that the ship has not been seen in dry dock by the Society's Surveyors since November 1961.
