Dear Sirs,

Steamer "HERAKLES"

I acknowledge your letter of the 13th instant and am obliged to you for informing me of the present position regarding this vessel.

It is noted from the shipping press that since the date of your letter the ship has arrived at Hong Kong.

The circumstances have been reported to the Committee this afternoon and they desire me to inform you that in view of the present position they must require the overdue Boiler Survey to be completed before the ship leaves Hong Kong if class is to be maintained; and you should inform any intending purchasers to this effect.

Yours faithfully,

c.c. Hfs
