Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

20th March, 1951.

Dear Sirs,

I am in receipt of your letter of the 17th instant respecting the Motorship "HERBRAND" the contents of which are noted.

In reply I have to say that, according to a report received from the Society's Surveyor at Bremen relating to the survey carried out at that port in May/August last, two lengths of chain cable failed under test at Hamburg and were, in consequence, recommended to be renewed.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
OSLO.
