Enclosure

Dear Mr. Gateley,

S) I duly received your letter of the 19th ultimo respecting the Motorship "HERBRAND" and enclose a copy of one which has today been sent to the Oslo Surveyors from which you will see that the case has been satisfactorily settled.

I may add that the proposed fee of £148 for the Special Survey implies that the fact that the ship is a Tanker has been overlooked and, therefore, in rendering the account, the charge has been increased to £222 for this reason.

Yours sincerely,

c. c. Bmn. & A/Cs

J. P. Gateley, Esq.,
GLASGOW.
