"LELETA"

Antwerp Fcs. 3720 = £26.11. 6

The above mentioned account was issued by the Surveyors at Antwerp to Furness Shipping & Agency Co. who settled it on behalf of the owners.

It is now reported that the owners are in financial difficulties and as Furness Shipping are unable to recover the amount which they have paid to the Society from the owners, they have suggested that the Society reimburses them.

A similar state of affairs existed at Rotterdam in June and on that occasion the necessary refund was made to Furness Shipping.

In the circumstances IT IS SUBMITTED that the refund should be made to Furness Shipping and that an account covering the Society's fees should be issued to the owners.
