ces

Dear Sirs,

M.S. "GEORGIOS MANOLAKIS"

I acknowledge receipt of your letter of the 16th November regarding the above ship and in reply have to inform you that for the first classification of an existing ship it is customary to base the fees on twice the periodical Special Survey fees compatible with the ship's age and type.

On this basis, it is estimated that a fee of the order of £1,160 in Greece would be chargeable. This sum does not take into account alterations, wear and tear repairs and damage and you may feel that it is inadequate to cover the services rendered.

Please let me know the fees finally decided upon.

Yours faithfully,

Assistant Secretary.

The Surveyors,
PIRAEUS.
