My dear Bradshaw,

Many thanks for your letter of the 19th instant in regard to the fees due for the survey of the machinery of the Steamer "FORT AMHERST" and I have been in communication with Messrs. David Rowan & Co.

As you probably know, this Firm may particularly well and directly I drew the Secretary's attention to this matter he promised to send a cheque in at once and I, therefore, wired for the certificates to be sent down.

With kind regards,

Yours sincerely,

J. L. Warlow.
