ENCLOSURE.

29th January, 1936.

C.  
Dear Sir,

With reference to your letter of yesterday's date respecting the refrigerating machinery of the steamer "FORT AMHERST", I have to inform you that owing to you not including particulars of the new machinery fitted on board, it has not been possible to prepare a certificate on a First Entry form.

A certificate on an ordinary form for periodical surveys is however enclosed for the record of Lloyds RMC 1.36 for placing on board, if the survey has been satisfactorily completed, and on receipt of a report giving full particulars of the new installation, a certificate including the relative particulars will be prepared for issue to the owners as desired.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
GLASGOW.
