Dear Sirs,

M.S. "STIRLINGSHIRE"

Further to my letter of the 31st December last, the Committee have now approved postponement of the Special Survey of this ship until July 1966, following a satisfactory General Examination at Hull in January last.

I would mention that the class has been continued subject, inter alia, to the centre auxiliary diesel engine being run on test on completion of assembly.

Yours faithfully,

pro Clerk to the  
Classification Committee
