Dear Sirs,

With reference to the classification in Lloyd's Register Book of the steamer "EASTERN MED", which is reported to have caught fire and sunk at Adabiya on the 22nd November last, will you please let me have the latest information you have received as to the extent of damage, prospects of salvage, etc.

The case of this ship will shortly be placed before the Committee with a view to a casualty record being inserted against her name in the book, and should this record be made, her class will be expunged at the same time.

If, however, you know of any circumstances which should be considered before taking this action, please let me know by return of post.

Yours faithfully,

Messrs. Cyprus Merchants Shipping Co., Ltd.,
LIMASSOL,
Cyprus.
