With reference to Mr Shilston's letter of the 30th. ult., respecting the electric lighting installation fitted on board the S.S. "HEKTOS", I have to acquaint you in regard thereto that the Committee will be prepared to pass the installation, as fitted, in this case and also in the cases of the other two vessels "LEO" and "HESPERUS", but it must be understood that, in future cases, ~~that~~ the Rule requirements must be complied with.

For your information I enclose herewith copies of letters I have today addressed to the Electrical Engineers and also the Shipbuilders, in connection with this matter.

I am, Gentlemen,

Your obedient Servant,

Secretary.
