ANSWER

Date:— **29th February, 1960.**

With reference to my memorandum of the 19th and your reply of the 24th June last, also your Report No. 8771, I shall be glad to learn whether the Steam Pipes Survey, due in February, 1959, was held whilst the ship was under survey at your port in July last.

This ship is now discharging at Steilene, Norway and on completion will sail to the Firth of Forth to be handed over to shipbreakers.
