Dear Sirs,

Steamer "DORAR" ex "ZEUS"

The following cablegram has been received from the Djakarta Surveyor, namely:-

DORAR EX ZEUS LOADLINE CERTIFICATE EXPIRING  
SEVENTH MAY OWNERS REQUEST EXTENSION SIX MONTHS  
PLEASE ADVISE REGISTER

In reply, they are being informed that the Committee are not prepared to grant an extension of class beyond the end of next month when the year of grace will expire, but in order to assist the Owners in taking the ship to Hong Kong for survey, a short term Load Line certificate valid until the end of May can be issued if a satisfactory Load Line Survey is held.

I shall therefore be obliged if you will kindly take this case up with the Owners and inform them that so far as classification is concerned no extension of class beyond the end of May can be granted. They should be asked to state what definite arrangements they propose to make for this survey to be held if the ship is to remain in class with this Society.

Yours faithfully,

The Surveyors,  
HONG KONG
