Dear Sir,

Steamer "ZEUS"

With reference to the cablegrams that have recently passed between us, we are surprised to learn that the General Examination for postponement of the Special Survey has not yet been completed.

In the circumstances, the Committee have instructed me to address the enclosed letter to the Owners concerning the Special Survey. I shall therefore be obliged if you will kindly arrange for the letter to be transmitted to them; and you should also keep in close touch with them to ensure either that definite arrangements are made to complete the Special Survey in all respects in Japan or for alternative arrangements to be submitted to the Committee for their consideration.

Yours faithfully,

Clerk to the
Classification Committee.

E.R. Sanderson Esq.,
MANILA
