Dear Sirs,

Steamer "ZEUS"

Reverting to your letter addressed to the Society's Surveyor at Manila, on the 27th March last, I would draw your attention to the certificate issued by the Manila Surveyor on 4th October, recommending that the class be continued subject to outstanding surveys receiving attention by the end of November.

It is noted from the shipping press that the ship is now proceeding to Japan, and I shall be glad to have your assurance that the Special Survey which became due last May will be completed in all respects before the vessel leaves Japan after the completion of her present voyage.

Yours faithfully,

Clerk to the
Classification Committee
