Dear Sir,

s.s. "ZEUS"

R.
NH/DET

In reply to your memorandum of the 27th March with enclosure, I have to say that the Committee are agreeable to a General Examination being made of the hull and machinery next month with a view to the postponement of the Special Survey but, in view of the age of the ship, the period of postponement granted will be dependent upon the condition as found and reported upon at the General Examination. The Engine Survey commenced in November last, should be advanced at the same time as the General Examination.

Yours faithfully,

Deputy Clerk to the
Classification Committee

E. R. Sanderson, Esq.,
MANILA.
