LONDON.

Dear Sir,

Steam Trawler, "MALDANNA"

In reply to your Classing letter dated 18th April, 1947, referring to our Report No. 20,751 on the above vessel, we are forwarding herewith a copy of the original blue print, showing the bulkheads of the vessel. It might be mentioned that this drawing was only recently received by the Owners from the New Zealand Government from whom the vessel was purchased, also that this drawing covers the sister vessels "MOONA" and "MATONG". Our Rpt. Nos. 20,847 and 21,043 respectively, refer.

Your remark in reference to chain cables has been noted, but owing to conditions prevailing at the present time, it seems that it will not be possible to arrange for the cables to be tested.

Yours faithfully,  
THE SURVEYORS,
