COPY.

S.S. "MARGUERITE" ex "ADRANA".

Extract from letter received from the Dunkirk Surveyor dated 26th May, 1923.

:-:-:-:-:-:-:-:-:-:-:

With regard to the freeboard report form 11b it is noted that full particulars are required on the back, and particulars of erections on the front; it is concluded that the sheers are not again required in this instance, but I shall be glad to have this confirmed.

It is submitted Mr. Crighton
be informed that it will
not be necessary for him
to re-measure the sheers
in this instance for
freeboard assignment.

29. 5. 23.
