ENCLOSURE.

Dear Sir,

S. I am in receipt of your letter of the 17th instant in further reference to the belting which was shown in the sketch of midship section on the First Entry Certificate of the steel screw motorship "WHEELSMAN" (Rotterdam First Entry Report No.24206).

I regret to find that, when writing you on the 13th instant, the plan of the midship section of this vessel, approved on the 7th September last, showing that belting was not fitted as on the original approved plan, was overlooked.

In the circumstances the half-midship section on the certificate of classification has been corrected in this respect, and the same is returned herewith.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification CommitteeR. Leeuwenburg, Esq.,
ROTTERDAM.
