Communications to be addressed to—
THE SURVEYORS.

Dear Sir,

In reply to your letter of the 13th inst. and regarding the First Entry Certificate of the m.v. "WHEELSMAN" I have to inform you that the belting is not fitted, see plan of midship section approved your letter M 7.9.35 and First Entry Report page 4; where Mr. Lodder was referring to the extreme breadth of vessel in his letter of the 4th instant, you may observe that 23.48 ft. given by him is over the shafing plates fitted.

I am, Dear Sir,

Yours faithfully,

The Secretary.

LONDON.
