Communications to be addressed to
THE SURVEYORS.

n.(s).

Dear Sir,

"MOUNT OLYMPUS"

With reference to your classing letter of the 9th instant received to-day dealing with alterations to the deep tanks of the above captioned vessel, am I to be given to understand that another plan is required showing the alterations which were made by the Plans Department to the drawing already sent to them for approval.

A similar request was made on a recent vessel the S.S. "JANO" which was undergoing Special Survey and Conversion to Oil Fuel.

If this is now the case I would beg to state that apart from your classing letter of to-day's date no letter of guidance concerning this subject has ever been received at this office.

Your instructions therefore on this subject would be greatly appreciated for my future guidance.

Yours faithfully,

The Secretary,
London.
