Dear Sirs,

Re: m/s "SAENTIS"

We wish to refer to the correspondence exchanged regarding the Short-Term Load Line Certificate and especially to our letter of the 29th August. In this letter we mentioned a call of the "SAENTIS" at Takoradi on 20th/21st September, we now understand from our Traffic Manager that this call is not yet definite. However, the "SAENTIS" is definitely calling at Abidjan on about 22nd/24th September and at Freetown on about 27th/30th September. We do not expect that this Survey will take very long and will not, therefore, hold up the ship.

Please ensure that the Short-Term Load Line Certificate is valid until the completion of the present last voyage, which will be about the middle/end of October.

Thanking you in advance,

We remain,

Yours faithfully,
KELLER SHIPPING LTD.
