71, Fenchurch Street, E.C.

23rd July, 1915.

Dear Sirs,

S I beg to acquaint you that the General Committee have had under consideration today the request in your letter of the 5th instant relative to the date of build recorded in the Society's Register Book for your twin-screw motor vessel "FALSTRIA", and I have the pleasure to say that, in view of the exceptional circumstances in which the completion of the vessel was delayed, the Committee have acceded to your request that the steamer should be recorded in the Society's Register Book as having been built in March, 1915, the date when the Special Survey during construction was completed.

I am, Dear Sirs,

Yours faithfully,

Copy Glasgow

Secretary.
