Dear Sirs,

## Whaler "KOS 5"

The case of this ship, which is recorded in the Register Book with the notation "Surveys overdue 4.54" has been reviewed in connection with the next reprint of the Register Book.

In view of the fact that the ship became due for Special Survey in April, 1954, and that no arrangements are envisaged for carrying out this and other overdue surveys, it is considered that the ship should no longer remain as classed with this Society. Instructions have, therefore, been given for the class to be omitted from the next reprint of the Register Book, and the notation "Classed BC until 4.54" inserted in lieu thereof.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

WRECK  
SECTION  
No 957 B

Clerk to the  
Classification Committee.
