

20. Camshaft
 2. Camshaft bearing (one)
 1. Camshaft bearing housing (one)
 1. Camshaft bearing housing (complete)
 1. Camshaft bearing sleeve (one)
 2. Camshafts (two) complete with nuts and retaining
 2. Check valves (one each with nut and retaining
 1. Springs for exhaust valves
 1. Diesel valves (complete with housing) 2 springs
 2. Diesel valves
 2. Springs for inlet valves
 2. Diesel valves (complete) with housing & springs
 2. Starting air valves (complete with housing and springs)
 2. Starting air valves
 2. Spring starting air valves
 1. Spare spring for each escape valve
 1. Exhaust pipe without valves
 1. Exhaust pipe with extension flanges
 1. Exhaust pipe
 12. Piston rings, 21 engine rings
 12. Thermometers
 1. 2 H.P. Fuel pump plunger
 3. Delivery valve H.P. Fuel pump rings
 2. Fuel valves seats complete
 3. Delivery valves H.P. Fuel pumps
 1. Fuel valves
 2. Valve nuts for fuel valves
 1. Fuel pump
 1. Bush pieces for starting
 2. Control fuel valve
 2. H.P. Fuel pump relief valve springs
 2. Mallet and valve fuel valve lever
 1. Fuel pump
 1. Knockhead
 2. Guide shoe
 1. Guide shoe 3/4"
 1. Guide shaft assembly for one cylinder
 1. Mallet shaft (complete with nut and lever)
 1. Mallets, three
 2. Moulded pipe flanges complete
 2. Nipple valve for cylinder assembly in bottle
 1. No. 10 valves for cylinder assembly in bottle
 1. Nut for bolt
 2. Nut & jacket in sizes (complete)
 1. Fuel injector nut of fifth fuel gear
 1. Oil & air filter cover
 2. Stud with nuts for inlet and exhaust valves
 2. Stud with nuts for starting air valve
 2. Stud with nuts for fuel valves
 1. Valve rod assembly with neck and gland bush
 1. Valve rod assembly with neck and gland bush
 1. Valve rod assembly with neck and gland bush
 1. Valve seat assembly for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
 1. Valve stem assembly with nuts and washers for each cylinder
