Due Boiler Survey due 12.32.

TS 12.30 cr.

Action in regard to the above survey has been deferred in view of the vessel being laid up and the late Owners stated the inspection would be held before she again proceeded to sea.

The Lisbon Surveyor wrote at the end of last month that the vessel had been sold to the Soc. Maritima Georgina, Ltd. of his port and that he was making inquiries as to whether they intended to maintain the Society's classification.

The Lisbon Surveyor now writes that the Owners have informed him that for business purposes the vessel has been sold to another Company under their control, and that it is not intended to put her in commission as she is up for sale.
