Due Boiler Survey due 12.32.

Action in regard to the above survey has been deferred in view of the vessel being laid up indefinitely and the late Owners stated that the inspection would be held before she again proceeded to sea.

The Lisbon Surveyor now writes that the vessel has been sold to Messrs. Soc. Maritima Georgina, Ltd., of Lisbon but that up to the present there has been no reply to the inquiries made as to whether they want to maintain the Society's classification. The Surveyor adds that the vessel is still laid up at his port and that as soon as any information is received this Office will be advised immediately.
