

S.S. "EMPIRE PENGUIN" ex "TENNESSEAN".

The fee for the classification of this vessel has been assessed at £125.0.0 for the hull and £32 for the machinery.

For the part classification survey recently held at Glasgow the following fees have been charged and paid :- £90.0.0 for the hull survey and £13 for the machinery survey leaving a balance of £35 and £19, total £54.0.0 to be charged on completion.

In addition a fee of £4.0.0 has been charged, and paid, for the Boiler Survey, and IT IS SUBMITTED that in the circumstances this amount might be deducted from the balance to be charged on completion, thus making the amount to be charged on completion £50.0.0 instead of £54.0.0.

*To be noted on completion
of survey.*
