

"EMPIRE PENGUIN". ex "Tennessean".

Built at Seattle in 1919.

Gross tonnage 6389.

-----  
This vessel is one of several which have been acquired by the Ministry of Shipping and is now under the management of Messrs. Runciman (London) Ltd., and a survey with a view to classification has been partly held.

This survey has now been advanced at Glasgow and some damage repairs carried out. In respect to the latter a fee of £7.7.0 has been incurred.

The Secretary to the Glasgow Committee inquires respecting the fees to be charged in respect to the classification survey.

The fee for the classification survey of the hull, in accordance with the usual practice of the Committee in such cases, is £125.0.0.

An examination ~~of the~~ <sup>at the</sup> ports shews that the greater part of the survey has been held, but a considerable part still remains to be dealt with.

In these circumstances, it is submitted, so far as the hull is concerned, a fee of £90.0.0 might be charged now, the balance of £35.0.0 to be charged on completion of the survey.

*Machinery (3 fee for new Machinery) 30.19.11 - 14/- = £32.*

*Submitted £13 be charged now & the remainder on completion of survey*
