m.s. "ALVA CAPE" - Reported burnt out after collision
in New York harbour on 16th June,
1966.

Dear Sirs,

It is desired to submit this case to the
Committee not later than 13th July with a view
to a casualty record being inserted against the
ship's name in the Society's Register Book.
Should this record be made, her class will be
withdrawn at the same time.

In the circumstances, I shall be glad if
you will kindly confirm that this ship has been
declared a total loss.

At the same time, I would like to have for
record purposes, a general description of her
cargo and the ports between which she was
voyaging.

Yours faithfully,

pro Secretary
