Dear Sirs,

Subject: M/t "ALVA CAPE"

We apologise for the delay in replying to your letter of the 1st February 1966, but only today have we received notice from the Master that the safety valves of both boilers have been adjusted, and the oil burning system and remote controls have been surveyed by your Mr. Winn, Surveyor at Bangkok.

Trusting the above meets with your requirements and awaiting your confirmation, we remain.

Yours faithfully,
