Dear Sirs,

Re: m/t "ALVA CAPE"

In reply to your letter of 4th instant, please be advised that the above vessel is programmed to load in the Persian Gulf about 26th instant for Canvey Island and Granton.

After completion of discharge the intention is that it proceeds to drydock. The drydock is not yet stemmed as we wish to establish a firm date but it should be shortly after 20th June. When the drydock is fixed we will not fail to inform you.

Yours faithfully,
NAVIGATION & COAL TRADE CO. LTD.,
