*Handwritten signature*

25.10.63.

TO COMPLETE ABS:

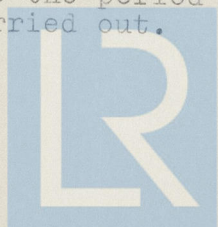

The safety valves of both Boilers to be re-adjusted.

NOTE: The Surveyor should be asked to confirm that the auxiliary steam pipes were examined and tested at this time in accordance with the Rules as no mention is made in the Report excepting to recommend the date of SPS 7/63.

The Surveyor should also state whether repairs are considered necessary to the Boiler safety valves and, if so, he should state the period of time in which these repairs should be carried out.
